## memorial ground hymn - those who have truly given

eternal, ethereal and otherworldly  
accents are light, as if in spoken rhythm

words and music by david lang

may be repeated as many times as desired

singers may move back and forth from the choir to the tune as desired - it is hoped  
that by the end of a performance every singer will have had a chance to sing the tune

the memorial solos enter on the first repeat of this hymn

♩. = 54
